Built with quality and precision, this brand-new executive residence boasts all the luxuries your modern lifestyle demands: a superb location, stylish design and zoned living for the entire family to enjoy. Engineered floorboards and crisp white walls set the scene as you enter the elegant interior of this remarkable home. The single-level layout incorporates three living zones, four spacious bedrooms and two stylish bathrooms. The rear of the home showcases a dazzling open plan kitchen, dining and living zone that seamlessly connects to a generous rear yard with alfresco entertaining. The stone kitchen comes equipped with quality appliances, a walk in Butlers pantry and an excellent amount of storage and counter space. Added highlights also include a spacious laundry, plush carpets, plantation shutters, abundant storage, remote double garage, zoned heating and refrigerated cooling and so much more! Experience an instant lifestyle upgrade moments from
