10 Pound Avenue, Frenchs Forest, NSW, 2086

**Bedrooms: 4**

**Bathrooms: 2**

**Parkings: 2**

**Type: House**

## **Impeccably Restored Architecturally Designed Oasis**

Whisper-quiet and exquisitely screened by its incredible tropical native garden setting, this prestige property takes you on an idyllic tropical holiday without leaving home. Tightly held and fiercely loved since 1968, it's at once a mid-century modern marvel and a family classic – with every feature and detail inside and out combining to create an urban paradise. See nothing but leafy green all around, and hear nothing but birdsong and the breeze while being mere footsteps from Glenrose Village and just 20 km from the CBD.

- Captivating family show home by renowned architect, Michael Dysart of Habitat
- Designed, built and finished to showcase the highest specification of its time
- Beautiful dark timbers, tastefully exposed convict brick walls, modernised copper wood fireplaces
- Versatile floorplan featuring separated parents/teenage retreat or extra-large fifth bedroom
- Tropical and native, lush established and landscaped gardens
- Daikin A/C, renovated bath + ensuite, DLUG, 720sqm corner block
- Rare sanctuary opportunity moments from Chatswood + city transport
- Stroll to parks, Glen Street Theatre; 650m to Mimosa Public School
