\$230,000

This 3 Bedroom Highset is the perfect family home. The presentation is very neat and tidy, with new external cladding this home has great street appeal. Modern flooring in the large open plan living area which has both ceiling fans and a Split system Air Conditioning unit provides a fresh look to this property. A well positioned hallway door allows for easy redirection of air flow or quiet areas for shift workers. The Kitchen is off to the side of the living and is well equipped with generous cupboards and laminate benches and splash back, the modern flooring continues into the kitchen. Each Bedroom is a good size, with carpeted floor and either ceiling fans or air conditioning, 2 of the bedrooms have both ceiling fan sand air conditioning. The recently renovated bathroom is a great finish with crisp white tiling and accessories. Under the house is a open laundry adjacent to the large enclosed area, which has room for cars, storage or entertaining, there is access to the house via front and rear. Situated on a 708sq meter block there is ample yard area for the kids to enjoy, there is tidy gardens ready to be planted for self sufficiency and all behind an enclosed fence with side access and a garden storage shed. This property is perfectly priced for the market and would make a great first home or ideal investment. For a Private Inspection Please call your friendly Agent. Property Code: 2498
