Wednesday, 14 August 2024

10 Torneys Road, Beauty Point, TAS, 7270

Bedrooms: 3

Bathrooms: 2

Parkings: 3

Type: House

Simply Move In and Enjoy!

Welcome to this spacious and stunning residential property located on the outskirts of Beauty Point. Situated on a generous land size of 2,171m², with easy access to the elevated home that captures the rural outlook and out towards the Tamar River

Enter the dwelling and reveal a number of living options. With two distinct open plan living/dining areas providing ample space for relaxation and entertainment. Plenty of natural light filters through the large windows and to enhance your living environment, there is also an undercover veranda that wraps around the front of the home, perfect for relaxing or hosting gatherings year-round.

The modern kitchen is equipped with quality appliances including a gas stovetop and electric oven, breakfast bar, walk-in pantry and dishwasher. The master bedroom features a walk-in wardrobe with an ensuite inclusive of a walk-in shower and corner spa. The bedrooms are well-appointed with built-in cupboards and the 3rd bedroom is currently set up as a study. The main traffic areas are tile and timber flooring throughout and each bedroom is carpeted for comfort. The home is heated via reverse cycle air conditioners, has gas hot water, and electric openings on both the front gate and garage roller doors.

The hard pressed, gravel driveway leads to the triple bay car garage (12x9) plus room for a workshop and storage. Established low maintenance gardens and ornamental trees for the green thumb, the property is fully fenced and has a further secured area for the four-legged friend.

This property is just a 45-minute drive to Launceston CBD and in close proximity to all of the wonders that the Tamar Valley has to offer.

Roberts Real Estate has made all reasonable efforts to obtain information regarding this property from industry and government sources that are deemed to be both reliable and factual; however, we cannot guarantee their complete accuracy in every instance. Prospective purchasers are advised to carry out their own investigations to ensure the property satisfies their suitability/usage requirements. All measurements and boundary lines are approximate.
