Live Among the Trees in this Stylish Family Sanctuary

If you've been looking for a stunning resort-style sanctuary to call home, set amongst towering trees, spectacular scenery and great neighbours, then you've found it at 10 Treetop Court.

With a beautiful natural backdrop and amazing picture window views, you're welcomed inside by polished timber floors which flow throughout an intricate main level layout consisting of a formal lounge with split-system air-conditioning and a versatile family/dining space that are separated by an impressive modern kitchen.

Including quality bench tops, stainless steel appliances, ample storage and a large breakfast bar, the kitchen is a real highlight, overlooking the family/dining area which connects cleverly to alfresco outdoor entertaining.

Bedrooms with robes here include a master with classy en-suite and direct deck access, while additional bedrooms are serviced by bathroom facilities incorporated as part of a well-designed laundry precinct.

A study/home office provides added convenience on this level before you head downstairs to a semi-self-contained lower level featuring two bedrooms, rumpus/lounge area, bathroom and direct outdoor access.

The covered outdoor alfresco entertaining deck provides the perfect vantage point to take in the tropical resort-style backyard where a shimmering in-ground pool and heated spa takes centre stage among flourishing gardens and additional outdoor seating areas.

Gas ducted heating, split-system air-conditioning, a garden shed, wine cellar and a double garage are valued additions in a sensational family package set to provide an envious lifestyle for many years.

Part of a quiet no-through road community, within walking distance to Herman Pump Reserve, the Heathmont Shopping Village, Heathmont Station and Bedford Rd shops, close to Great Ryrie Primary School, Eastwood Primary School, Ringwood Secondary College, Aquinas College and Ringwood Station, as well as enjoying easy access to Bedford Rd, Canterbury Rd, Wantirna Rd, the Maroondah Highway, Eastland and Eastlink.
