The Zurich is a clever and compact design with maximum impact for a narrow lot. A huge, open plan living/dining zone effortlessly transitions onto a spacious alfresco for the ultimate rear-living lifestyle. No matter the weather, gatherings and entertaining will be on the cards all year round. Woohoo! A designer galley kitchen ticks all the boxes with heaps of bench space, brekky bar, and fancy appliances. Just step across to the walk-through laundry with plenty of storage - bonus! The master suite is pretty swish with a double size walk-in robe and large ensuite for some serious you-time. The minor bedroom zone is highly functional with 2 great sized rooms positioned opposite a shared bathroom including a bathtub that's just perfect for kiddos. Or if kids aren't on the horizon yet, use the rooms however you want and live your best life! *Images depicted on this site are for illustration purposes only.
