Coastal Elegance Just Steps from Warilla Beach

Nestled just footsteps from the pristine shores of Warilla Beach and the tranquil Little Lake, this exquisite single-level beach house is the epitome of coastal living. With three generously sized bedrooms, this residence perfectly marries contemporary elegance with the relaxed charm of beachside life.

As you step inside, you're greeted by gleaming hardwood floors and plantation shutters that exude sophistication throughout the home. The living spaces are cooled by a natural sea breeze, but for those rare warm days, the split system air conditioning is at your service. The newly renovated kitchen is a culinary dream, equipped with top-of-the-line stainless steel appliances and luxurious stone benchtops, making meal preparation a true pleasure.

After a day of sun and surf, unwind in the modern bathroom that offers a serene retreat. The outdoor space is designed for entertaining and relaxation, featuring a spacious deck and fire pit. Adjacent to this is a sauna and an outdoor shower, perfect for rinsing off after a swim or simply enjoying an evening under the stars. Additionally, the property includes a versatile studio, ideal as a man cave, a teenage retreat, or a creative space.

An oversized carport ensures ample storage for all your beach essentials, keeping everything within easy reach for your next adventure. Whether you're passionate about swimming, surfing, or simply enjoying a family picnic by the water, this home is ideally situated to take full advantage of the natural beauty and recreational opportunities that Warilla Beach has to offer.

Don't miss your chance to own this piece of paradise.
