Ferntree Ridge has been designed with the health and wellbeing of its residents and their community in mind. With over 1600 lots to build your dream home on Ferntree Ridge offers much more than just land for your home. As part of the development a new Shopping Precinct, Community Centre and Display Village will be created, Government Primary School, Catholic School and Retirement Living built, all connected with over 15km of connected walking trails, parklands and sporting fields. We're proudly part of the ABN Group, Australia's leading construction, property and finance company, and owned by partners Aidan Hooper and Dale Alcock. The ABN Group was established in 1978. Since then, with a family of 22 companies across Victoria and Western Australia, we're still true to our philosophy of building every home as if it's our own. We've built more than 88,000 homes and we've steadfastly maintained our attention to quality. So, although you may be building your first home, we have built many. And with every home we build, we only get better. The kitchen is the social heart of this home, opening on to light-filled living and dining areas, and an inviting outdoor entertaining space. The open-plan design includes a generous kitchen with large island bench and walk-in pantry. Offering a spacious retreat, the master bedroom features a walk-in robe and ensuite, while three additional bedrooms with built-in robes provide easy access to the main bathroom. At the front of the house, flexible living spaces include a home office and a secluded sitting room, perfect for a library or home theatre.
