Welcome to 102 Off Lane. Click on the Video Link above to have a stroll through this home. Positioned amongst other family homes with some of similar character, this property certainly is abundant with potential. There are two large bedrooms, and two smaller bedrooms that have built in at some point during the property life to accommodate extra space for family or visitors. Polished floors are featured as are high ceilings and fretwork. There certainly is a lot of character to work with. There is a large open plan kitchen, dining and living area with plenty of windows for natural light. This generous, approx 947m² block has plenty of space for everyone. The double powered shed also has a third roller door for easy access to the back yard. The property is being sold "as is, where is" so the Seller has had a complete Building and Pest Inspection done and I am happy to share that with you. Please call the Agent if you require further information or would like to schedule an Inspection. Property Code: 1229
