Right on the perimeter of the Frankston CBD with easy access to the major shopping district and public transport, this three bedroom home with dual street access off Corlett Lane presents perfectly for the growing family! On offer is this family home featuring a timber floored living area that flows into a sunny near kitchen with near new appliances and meals area, two bathrooms with separate shower and toilet and three bedrooms off the hall. Master bedroom features timber floors and built-in robes. Additional two bedrooms feature timber floors. Complete with a north-facing patio with large backyard and external security shutters for added security. Be quick to inspect as this property will not last long.\* Please note the garage is NOT available for use.
