A Place To Call Home

You will be pleasantly surprised by what this home has to offer, from the moment you pull into the drive way you will notice the staircase/walking platform built for those that have a disability making accessing the home so much easier.

Upon entering you will appreciate the elevated west facing property giving great views out of the lounge room window. The lounge, kitchen and dining area is the main hub, a space that families will enjoy and congregate together.

You'll love the 900mm gas cooker in the kitchen and the dishwasher to aid with cleanup. Plenty of space here to cook up a storm.

All four bedrooms are of a generous size and would fit queen size beds.

A central gas heating & electric cooling system plus a slow combustion heater in the lounge caters for all your heating and cooling needs.

The home has been clad with Formplex, a look alike weather board product which can reflect heat, act as an insulation and has sound deadening qualities, an ideal product for those who enjoy the peace and quiet and hate painting.

There is also a carport & single car garage/workshop, plus an undercover back porch/laundry area that leads to the private rear yard complete with fruit trees and a garden shed.

Located only minutes from all the town services, schools, sporting venues, medical centres, train station, anything you need is close by.
