Experience the extraordinary at Wetlands Point - an exceptional sandstone property that offers comfort and modern living. Perched in a highly sought-after east Sale locale, this quality-built home offers a breathtaking outlook like no other. Step into this near-new 3-bedroom home and find three generously sized bedrooms boasting built-in wardrobes, whilst the master suite indulges you with a WIR and a modern ensuite. Discover plenty of space and serenity throughout the property and relax in the separate theatre/living room, where you can enjoy stunning views of the enchanting 'Flooding Creek'. The open-plan family/meals/kitchen area is spacious and invites relaxation and an awe-inspiring vista, and the well-appointed kitchen features quality appliances, a walk-in pantry, and a large island/breakfast bench. Wander outside to the low-maintenance yard then continue to enjoy the magnificent, uninterrupted outlook from the decked alfresco area. Additional features include double glazing, split system air conditioning, ducted central heating, quality and contemporary fixtures throughout and a double garage. Wetlands Point is more than just your everyday property; it's a beautiful retreat where quality meets natural beauty.
