Recently approved this 6 lot subdivision represents a great opportunity for the astute investor. A level site with sealed road frontage, lot 1 incorporates an existing 2 bedroom home in good condition plus a large amount of shedding, in addition the permit has approval for 5 vacant lots ranging in size from 1247 m² to 3107 m². Historic Dargo is the launching place for many high country activities, fishing, hunting, four wheel driving, hiking, canoeing and much more. Situated in the heart of Dargo opposite the iconic Dargo Hotel it's a once in a lifetime chance to secure this development and start work right away.
