A HIDDEN TREASURE AWAITS

Experience the Charm and Tranquility of Exceptional Pie Creek Living

Welcome to 107 Long Road, Pie Creek, where sustainability, charm, space, and community converge in perfect harmony. This hidden gem, located on a serene no through road, offers a unique blend of historic elegance and modern comfort, set on a gently sloping 6,004m² (1.5 acres) fully fenced parcel of land.

A Meticulously Redesigned Farmhouse

This lovingly rejuvenated farmhouse, originally located on a dairy farm in Kiels Mountain, has been meticulously redesigned to blend historic charm with contemporary living. As you enter the property via the bitumen driveway, the sight of the beautiful farmhouse will captivate you.

Ground Level: Space and Luxury

Step into the expansive ground level, featuring a large rumpus room with 9 foot high ceilings and large stacker doors for seamless indoor outdoor living. The master bedroom on this level offers a private retreat with feature wooden sliding barn doors, a huge walk-in robe, and a breathtaking ensuite complete with an oversized bath and his and hers shower. The spacious laundry room, with wooden bench tops and plenty of storage completes this level.

Upper Level: Cozy and Inviting

Ascend the internal handcrafted wooden staircase to the upper level, once the original farmhouse. Here, you will find interconnected living, dining, and kitchen areas that create a warm and welcoming atmosphere. The kitchen boasts a 6 burner freestanding gas stove, hardwood bench tops, a subway tiled splash back, and a granite island bench. This level also includes three spacious bedrooms with large built-in cupboards, a family sized bathroom, and a north facing bedroom that opens onto a spacious veranda.

Outdoor Living and Additional Spaces

The expansive deck offers stunning valley views, perfect for enjoying your morning coffee or evening sunsets. At the front of the property, a versatile dual purpose space that includes a studio with laundry/bathroom facilities and a separate kitchenette, as well as an additional flex room currently used as a home gym. This space can be transformed into a workspace, teenage retreat, or anything your heart desires.
