\$1,250 per week

Riverlinks estate on the Coomera river in Helensvale. The builder has used top quality fixtures and materials during the build. Commercial double glazed windows are used to provide maximum insulation and sound proofing. Polished wooden floors are throughout the property and in bedrooms, providing a high quality finish. A berth is available in the River Links wharf for if required. The backyard is level grassed with pool safety fencing with direct access to the Nerang river. An outdoor kitchen and BBQ is undercover with views of the water, ideal for outdoor living during the warmer months. Enquire with Amy to arrange a private inspection if the open home is not a suitable time for you.
