THE PERFECT LOCK-UP N' GO WITH ALL THE STORAGE YOU NEED

THIS IS AN AWARD WINNING GREEN SMART HOME

All boxes ticked for the nothing to do but enjoy

- Low maintenance - the home is, steel framed and Hardie Plank construction
- Asphalt driveway - built to last
- Plenty of solar with new inverters means minimal bills
- Top of the line stunning bamboo flooring throughout
- Recent upgrades to all major fittings and fixtures including roofs
- Recently repainted inside & out
- Top of the line treatment system
- Well thought out functional layout for easy-care living and entertaining

Now let's not forget the enviable multiple man caves!

- The sheds were designed and built to accommodate all your mechanical needs and toy storage
- Garage one even has a bathroom to keep the dirt out of the house
- Insulation, above extra height needed for large vehicles, caravan & boat storage, car lift utilities in place, extra workshop area - just what you're looking for?

The 5,253m² block offers complete privacy, lifestyle, and backs onto council land with seasonal creek, which means no rear neighbors.

Enjoy the video and I'll see you there!
