This newly built family home was made to impress. Step inside this elegant home and you will find plenty of space for the entire family. The large open plan kitchen, dining and family area with stone bench tops, set the standard for the rest of the house. The private master bedroom located towards the front of the house also contains a walk-in-robe and ensuite, while the two back bedrooms features built in robes. Outside is an alfresco under cover area for family BBQs during our wonderful warm nights and in the back corner of the property is a huge 7 x 8 mtr shed with two roller doors. This property has beautiful lush lawn and very low maintenance garden beds.
