A BUILDER'S OWN HOME IN THE BEST PART OF THE NORTH SIDE

Our Vendor has built 65 houses during his career and this one he built for himself. With four bedrooms, two bathrooms one being an ensuite in the master bedroom.

A large open plan living including kitchen all leading out to the Alfresco Area looking out to the bright red Bottle Brush Tree.

Sit and enjoy your morning coffee and watch the lorikeets frolicking in the tree. There is a pleasant rear garden and a large single garage with internal entry.

Only a few minutes' walk to the river, the famous Providore Store, a little bit further to the town center and Dawn Song preschool is just around the corner.

There are a number of good schools in Bellingham including two private schools and two High Schools. Mylestom Beach is only 20 minutes' drive away and Bellingham does have a handy cottage hospital.

If you are starting out, downsizing, an investor or just looking for a great place to live, this is the home for you.
