SPACIOUS 5 BEDROOM FAMILY ENTERTAINER IN DRESS CIRCLE LOCATION

Positioned on a large 773m² block in the prestigious Morris Circuit, this full brick home blends quality with versatility and space to provide a beautiful retreat for even the largest of families with 5 bedrooms, 2.5 bathrooms, multiple living spaces, 2 outdoor entertaining areas, 2 car garage, ducted air conditioning and solar hot water.

The upper level of the home has polished timber flooring throughout and boasts a master bedroom with an enormous parent's retreat, walk-in robe and ensuite that features an oversized shower, another bedroom with a built-in robe, and a powder room, lounge room and dining room.

A true highlight upstairs, however, is the large light-filled open plan modern kitchen featuring Caesarstone benchtops, an island bench, double sink, and stainless steel appliances, that flows to the dining space and seamlessly connect the indoor and outdoor living onto the sizable wrap-around verandah that provides the perfect space to relax, unwind and entertain all year round.

The lower level features 3 bedrooms with built-in robes, the main bathroom with a separate toilet, a large laundry with plenty of storage, and a lounge room that leads to the private covered outdoor area.

Outdoors is sure to impress, with the beautifully established and leafy gardens, a fully fenced and generous sized backyard to entertain, relax or for the kids to play. The front yard is a tranquil haven for birds, where the beautiful Kingfisher birds will visit, and the kids will have their own secret garden to explore.
