This can be your first move or it could be your last. On show is a masterful example of space utilisation, a single level surprise that is stunning and distinctive. It's near-new and ready to move into. Everything is close at hand, a new style set in a colonial part of town that stands out for all the right reasons, therefore we are confident that it won't last long. Features we love:

- 845m block, fully fenced and fully usable.
- Plenty of space for a shed in the rear
- 3 bedroom, 1 bathroom home
- Open plan living area leading onto the undercover alfresco space
- Large kitchen with stone bench tops & dish washer
- Easy care vinyl plank flooring in the dining and lounge
- All 3 bedrooms carpeted
- Linen cupboard
- Family bathroom features large shower, bath & vanity
- Low maintenance backyard

This is the perfect lock it and leave it home. It is low maintenance and high on lifestyle. It's near new, it's modern, and a very rare opportunity for a buyer looking for a low maintenance opportunity in the heart of Blackbutt. It's practical and can be yours today and ready to move into tomorrow!
