With its breathtaking district views, this impressive dual-level residence provides a perfect sanctuary for families. Master built by Arthur Billyard, the home occupies an expansive block in a cul-de-sac setting on one of the highest points in Castle Hill. Just a short drive from Metro transport, shops and schools this is a coveted position. Crafted for easy living and entertaining, the home features a sun-washed rear garden with a resort-style pool partially framed by palm trees.

Brimming with natural light, the flexible floor plan ensures modern comfort and ample space with multiple living areas. Unwind or entertain in the front lounge and adjoining dining room, warmed by a fireplace. The separate rumpus/media room also includes a combustion wood heater. Centrally positioned, the updated stone-topped kitchen is equipped with stainless steel European appliances and provides a seamless connection to the covered terrace for alfresco dining.

Five generously sized bedrooms are all located on the upper level and include built-in wardrobes. Enjoy the elevated vistas from the beautifully appointed master retreat, which features a stylish ensuite. The three-way family bathroom has also been recently renovated with twin vanities, herringbone tiling and brush gold fixtures. A spacious ground-floor office is ideal for those working from home with gorgeous views across the valley, alternatively perfect as a sixth bedroom/guest accommodation.

Tailored for indoor and outdoor living, the property provides an abundance of space for youngsters to run and play. Or simply relax and take in the sweeping outlook of The Hills from the front verandah.
