Great Home in Great Location

Sitting on the high side of the street on a generous 561sqm regular shaped block of land. Boasting many extras including ducted air conditioning, ensuite to main bedroom and outstanding covered outdoor entertainment areas. A special area for kids to play inside or out. Neat and tidy ready to move in or update to your desire. It also has great investment potential with room for a granny flat (STCA). Owners have moved out and must be sold at auction. Inspect at our open home times and gets your finance ready.

I look forward to meeting you there.
