Rediscover your love for the outdoors with this immaculately renovated 3-bedroom home, showcasing a life of indoor-outdoor bliss over a stunning garden allotment in a serene, family-friendly court. Low-maintenance gardens under an established eucalypt grace a refreshed facade, opening into a well-zoned layout ready for relaxed and easy living. The sun-filled lounge's wood heater is a romantic touch as it warms the entire interior, wrapping around into the beautifully renovated timber-topped kitchen and meals area. A sunbathed deck stretches out over the significant space of the rear yard, where an irrigated kitchen garden flourishes with seasonal fruit and vegetables year-round beside a practical 10.0 x 4.0m (approx.) powered garage and potting shed. Back inside, three bedrooms surround a fresh family bathroom, a fitted laundry and a separate toilet. Complete with split-system air conditioning, LED downlights, ceiling fans, it sits in a lovely courtside position, just moments from St Joachim's Primary, Flinders College, The Pines Flora and Fauna Reserve, multiple shopping centres, easy freeway access, and the shimmering Seaford Beach.
