Large Home Overlooking 'The Cut' Waters

This is a large home in a premium location, having a good, basic layout but needs repair and renovation/upgrade works to bring out the best in it.

It is in a top location in a quiet cul de sac on a generous approx 854m² lot, and the home boasts 5 bedrooms, 2 bathrooms, a study, multiple living areas, a huge 3 car garage, etc., so it is well worth a look.

The main focus of a buyer should be the fantastic location and the fact it has 'good bones' from which you can add your own replacement and renovation preferences.

I urge you to review the attached floorplan to check out the functional and sizeable layout, then absorb the expansive water outlook to watch the boating activity as they come and go through 'The Cut'.
