Handsome, spacious and centrally situated

Rich in space for family relaxation and entertainment, this three bedroom, two bathroom home is superbly central to a range of amenities. Loved by the same owner for more than a quarter of a century, it's introduced by a handsome façade. Inside, the home reveals flowing formal living and dining rooms, a kitchen, meals and family room and big covered entertaining area, complete with heated spa. A Chef fan-forced oven, Candy gas cooktop and Bosch dishwasher team with plenty of storage in the fully equipped kitchen. Bedrooms host built-in robes; the main bathroom is fully tiled and the second bathroom convenient to family and entertaining areas. Gardens include a secure rear garden providing green views to rear rooms, while heating, cooling, off street parking for at least two and a large shed (or garage for a smaller car) also feature. Route 48 trams, Bell Street shops and tempting restaurants are a stroll, Coburg North Village, Antonine College and Coburg North Primary nearby and CityLink access a short drive. Zoned to Strathmore College, it's beautifully placed to offer a fantastic family lifestyle.
