Charming Highset Family Home with Ample Outdoor Space

Welcome to 11 Whitcomb St - set on a generous 651sqm block, this charming 3-bedroom, highset home offers a perfect blend of comfort, style, and functionality. With multiple living spaces, a beautifully designed outdoor entertaining area, and a spacious backyard, this property is ideal for families seeking room to grow and entertain.

Upstairs, you'll find three well-sized bedrooms, each equipped with built-in robes, split system air conditioning, and ceiling fans for year-round comfort. The family bathroom is also located on this level, providing convenience for the entire household.

Downstairs, the functional layout includes two separate living areas, a dedicated dining space, and a well-appointed kitchen with ample storage. Exposed timber ceilings create a warm, rustic charm, making the living spaces feel inviting and unique. A second toilet downstairs adds further convenience, perfect for guests. The large living areas flow effortlessly out to the undercover timber deck—ideal for alfresco dining or enjoying the tranquil surroundings.

The fully fenced backyard features low-maintenance gardens and plenty of room to add a shed or even a pool, offering endless possibilities for future enhancements. With side access and a garden shed already in place, there's plenty of room for storing tools or accommodating extra vehicles.
