Type: House

John Hadley
0353982219

BUILT IN 1925

This Californian Bungalow style home was originally built by a church Minister and over the years each owner has added their own touch to it. The home features 3 double bedrooms, lounge with a gas heater and split system A/C, timber kitchen with a gas stove and dishwasher, bathroom with a vanity, shower and toilet and polished floor boards.

Outside the large block has a single garage, pergola area with a 2nd toilet and in more recent times most of the roof and spouts have been replaced. The house is ideal for someone who likes add value to their properties by doing the odd jobs around the home.

Yarriambiack Council Rates are \$1,125pa approx.
