Why wouldn't you invest in your lifestyle and enjoy a daily hop and a skip to the beautiful Hopkins River? Owner-occupiers, downsizers and investors will be interested in the lifestyle and amenities this residential community offers. This is your dream home or home-away-from-home. This cleverly planned and well maintained home is surprising spacious, comprising:

- Open plan living with a large lounge room and dedicated dining area
- Modern kitchen with laminate benchtops, tiled splashback, gas cooktop, fan forced oven plus rangehood, dishwasher, pantry and plenty of cupboards
- Two spacious bedrooms with built in wardrobes
- Beautifully renovated bathroom with shower, vanity and laundry facilities
- Separate toilet
- Private and enclosed outdoor courtyard to soak up the sun, potter in the garden and spend time with family and pets
- Onsite parking

This home provides an opportunity to enjoy holiday living with fantastic Park facilities. Your new lifestyle will allow you to lock up your home and go travelling while the Park management take care in maintaining all the common areas, amenities and gardens while you are away. Enjoy a life less complicated, where the constraints and obligations of typical home ownership are exchanged for an affordable, secure, low maintenance alternative. Breathe in the fresh air, immerse yourself in nature and let the surrounds bring you back to your senses!
