\$1,020,000 - \$1,100,000

A ready-to-enjoy renovation for today, outstanding options for tomorrow, and the convenience of a lifestyle location surrounded by amenities - this period beauty is the perfect next step on your property journey. Add sundrenched outdoor areas to park, play, and entertain, and approximately 568 sqm of north-rear facing land, and the possibilities are endless (STCA). Set well back beyond security fencing (keypad entry), remote gates, and well-cared for gardens, this blonde-brick home has been given a fresh, modern make-over. Stripped back floorboards boast a contemporary matt finish, while high ceilings and crisp white interiors enhance a sense of scale. Sunlight illuminates internal spaces, central heating and evaporative cooling provide superior comfort, and a tandem garage and shed broaden the appeal. A bright and airy lounge flows to a separate dining room offering relaxed family living. Three spacious bedrooms, including an overly generous main (built-in robe), are serviced by an updated bathroom. A stone vanity, subway tiles, and chic black tapware define this designer wet area. The rear of the home, currently hosting a large kitchen, sunroom, and laundry (second WC), sets the stage to extend into the northerly backyard creating a stunning new living and entertaining domain. There is also the enticing option to start again with one or two luxury residences (STCA) designed to suit your exact requirements. This prominent location with abundant parking would also suit a medical practice, or similar business. Just minutes to the Metropolitan Golf Course, Scammell Reserve, Zone 1 train travel, schools, Oakleigh's shopping and dining precinct, Chadstone, and Monash University, this opportunity promises to reward well into the future. For more information about this prime house and land opportunity please contact Leanne Potter at Buxton Brighton on 0414 344 144.
