Offers Above \$570,000

Wander down to the Oyster Harbour foreshore and take in the amazing scenery or get out on the water in your dingy or kayak for a spot of fishing. This customised property is only 120-metres from the local boat ramp and 220-metres from scenic lake reserve. There are superb water views even as you approach this property, and some bush views from the rear. Tranquil rivers, spectacular coastline and various amenities are within an easy drive. Nestled out of sight, this private property features an owner-inspired home set on a low-upkeep lot, with a single garage, great caravan and boat parking and a basically undeveloped frontage packed with potential for a fabulous private outdoor living area. The home was built to Government Regional Officer Housing (GROH) Program standards. Double glass doors open to unveil a fashionable contemporary and light-filled open living, dining and kitchen zone, with a skillion ceiling, towering skylights, trending decor and a wood combustion heater and big r/c air-conditioner. Consider adding bifold or sliding doors to link the living area to the unexploited frontage. Keen cooks will be very happy with the large kitchen design, which includes a Beko oven, Bosch dishwasher, ample benchspace and deep drawers galore. The remaining wing reveals a spacious master suite, with a superb WIR & ensuite, two more sizeable bedrooms and a hall with robes, and a cleverly combined bathroom and laundry, with more storage. Water and nature lovers will be in their element, while investors could reap solid returns on this asset. For more detailed information or to arrange a private viewing please contact Natalie Cameron on 0416 416 822.
