For Sale

Rosewood has seen an extraordinary change in recent years and with its access to both Electric rail and RAAF Base Amberley its popularity is set to continue. This property is well positioned to take full advantage of this future growth as it is only a short stroll to the Rosewood Train station, Rosewood State School and Rosewood Township. 6.9 acres of land with 3 road frontages and in an urban investigation zone this property would suit the savvy investor or home buyer looking for a property with a secure future. The high set Home has 3 bedrooms upstairs with separate bathroom and toilet. Hardwood timber floors and modern kitchen. Downstairs is a large living area with kitchenette, bathroom and toilet and bedroom that would suit a granny flat or teenage retreat. Rosewood has so much to offer young families with affordable housing, a rural village lifestyle with both public and private schools and primary and high schools all within easy reach. The new Rosewood library is a great community addition to the town and there are a few sporting options within the town to keep everyone involved. Add to this that RAAF Base Amberley is only approx a 10 min drive and a major employer of both Defence force members and locals alike and the future of this location will see Rosewood continue to grow and prosper well into the future. To view this great piece of real estate, please call Megan Acutt on 0488 773 001 from Ray White Rosewood to arrange your very own private inspection if you cannot make the open home.
