STUNNING FAMILY HOME!

****An Inspection is a must. No application will be considered unless you have inspected it****

This spectacular family residence is bright, spacious, updated and flooded with natural light!

Beautifully landscaped gardens at the front set the scene for a home much larger than it looks from the outside.

The master suite can be found at the front of the home and enjoys fitted walk-in robes, a full en-suite and a glorious bay window. A fantastic hostess kitchen is the real heart of the home with updated appliances and beautiful timber cabinetry. This adjoins a spacious meals area and second living space, great for zoned family living.

The two bedrooms off the hallway are larger than most and have double built in robes and soft carpet. Also off the hall is a family sized bathroom with shower, basin and built in corner bath. The large home office could easily be converted into the fourth bedroom and enjoys gorgeous views into the backyard and landscaped garden.

Of course there is a paved alfresco entertaining area outside framed by stunning natural plants to match the beauty found inside. This large and updated family home sits towards the end of a no-through road, close to Knox Gardens Primary School, public transport to Knox City Shopping Centre and Glen Waverley, Waverley Christian College and EastLink.
