\$640,000 - \$680,000

Centrally placed on a north-east allotment, this charming character bayside address presents a beautiful weatherboard exterior and light-filled interiors which move seamlessly between inside & out, furnishing a fantastic family lifestyle that is relaxed, comfortable, and stylish. The centrepiece of the home is an enormous living area framed by wall-to-wall glass. French-doors open the room onto a wraparound patio and undercover terrace before linking with substantial, private lawns. The combination of indoor and outdoor spaces lends highly-valued versatility and multi-setting appeal to the property. The kitchen's black-and-white finish and light & airy design are favourably supported by excellent preparation space and floating cabinetry. A breakfast bar and adjoining meals area offer alternating places to dine & entertain. Accommodation requirements are met by three well-sized bedrooms with an abundance of storage, and a central family bathroom. Features include laundry, living room A/C, shed, carport, and off-street parking. Neighbouring Hadley Reserve and only a minutes' walk to Kananook train station, nearby arterial roads guarantee swift-access to local landmarks including Frankston CBD, Karingal Hub, Peninsula Kingswood Golf Course, the Edithvale-Seaford Wetlands, and the Mornington Peninsula.
