Step into the enchanting world of historical Milton, 12 Kennedy Crescent is a coastal and country-style retreat that epitomises charm and laid-back living. Nestled in the heart of Milton, this 4-bedroom, 2-bathroom residence offers a captivating soft grey and white palette, harmoniously blending with lush green landscaping that seamlessly becomes one with the surrounding countryside. As you enter, you're greeted by an abundance of natural light flooding the open-plan living space, accentuated by plantation shutters and the warmth of hybrid timber look flooring. Prepare to be captivated by the heart of the home, a gourmet kitchen featuring an inviting island bench, stone countertops, and a 900mm oven with a gas cooktop. It's a culinary haven where the joy of cooking meets the aesthetics of design. Comfort is paramount with ducted air conditioning, 6.5kw of solar power, a rainwater tank, and fully insulated walls and ceilings, every aspect of this property has been meticulously thought out. The master bedroom, a tranquil haven, highlighted by plantation shutters and an ensuite boasting a stone top vanity and semi-frameless shower screen-a perfect place to unwind after a long day. Beyond the indoors, the property offers a spacious outdoor alfresco area, ideal for dining and relaxation in the soothing coastal breeze. The perfect downsizer and only a short stroll via a pathway reserve and through Mick Ryan Park with its whimsical fig tree and into Milton's boutique township with a plethora of homewares stores, boutiques, restaurants and cafes. Surrounded by scenic rural properties and quaint country lanes, this home offers a peaceful escape just a short drive away from the vibrant Mollymook Beach, pristine Narrawallee Inlet, and the picturesque Ulladulla Harbour. With its impeccable style, prime location, and thoughtful design, this home invites you to embrace the coastal and country lifestyle like never before.
