Nice and big, that's how I describe this Caboolture South property. Situated on a large block of land, this big 4-bedroom home features multiple living areas and is located in a quiet cul-de-sac. This home is perfect for a large family, providing ample space for everyone. For those needing extra storage or a man cave/she shed, it also includes a separate single garage. Features include: * 4 spacious bedrooms (all with built-in robes, main with a walk-in robe) * Huge entertainer's kitchen * Ducted reverse cycle air conditioning * Multiple living areas * Separate single freestanding garage with side vehicular access
