Close to Chapel Street yet so peacefully positioned, this renovated Victorian's classic charm, stylish modern attitude and fabulous alfresco spaces create the perfect context for dynamic inner city living. Immediately attractive both inside and out, private yet beautifully light filled proportions host two delightful double bedrooms with built in robes, one with period open fireplace (ornamental only). At the rear, smartly extended living/ dining spaces, also with Ornamental Fireplace, and an impressively appointed kitchen with timber benchtops, full sized dishwasher and a large 900mm cooker. Combine with the brilliance of a large undercover deck and landscaped rear garden for outdoor entertaining so tranquil, you'll hardly believe Chapel Street is just one block away. Includes updated bathroom (shower over bath) with heated towel rail and laundry room, window flyscreens for ventilation, soaring ceilings, original Baltic Pine floors, Attic storage, hydronic heating (main room and bedrooms) and reverse cycle cooling and heater in the living area. Simply sensational!
