Sublime Family Home with Panoramic Lake View and Dream Pool

Auction Location: On Site

Step into a world of the latest style trends and exceptional craftsmanship with this as-new, contemporary home and its panoramic view that sweeps across Lake Macquarie. As you approach, prepare to be impressed by the crisp presentation and carefully curated floorplan that make a dreamy statement, setting the tone for the inspired living experience that awaits.

Be greeted by a dual-level layout that creates an immediate sense of spaciousness and freedom. Upstairs find a grand open plan living area encompassing the kitchen plus a view-swept master bedroom with full ensuite, a guest bedroom, a home theatre and powder room. Downstairs reveals three additional bedrooms, a showroom bathroom, another powder room and a family room. Relaxation and entertaining outdoors can take place on the top-floor balcony where you can soak up the view, on the back deck for more intimate family meals, or head to the backyard where a resort-inspired pool, a poolside dining area and deep tree-studded backyard await. Back inside, a study nook and wine cellar are also welcome additions.

The new jewel in Lake Macquarie's crown, Teralba is now a thriving suburb that enjoys the quiet pace of village life while having everything you need close at hand. Foodies will love being near Warners Bay's café hub, and those who like to fit exercise into their daily routine will embrace the popular cycle/walkway that loops the lake's shoreline. If you're looking for something a little closer, Teralba bowling club is nearby and is a great spot for a weeknight meal or game of barefoot bowls.
