Spacious like-new home spanning 33 squares, set on sweeping corner allotment and positioned directly opposite parkland. Features four double sized bedrooms, with a massive master with full ensuite, his/her basins, dual showers & large walk in robes, other bedrooms with built in robes and separate rumpus/living room for the kids. This home has been designed for entertaining; the expansive kitchen has stone bench tops, huge walk in pantry, dishwasher, chef's oven & island bench overlooking a huge dining and family room with access to an indoor/outdoor alfresco. An impressive feature is the three separate living areas plus study. All set in a sought after Hampton East position and only a short walk to the shops. Extras include gas ducted heating and air conditioning, gas log feature fire, high ceilings, double garage with internal access and secure rear yard.
