Presented by Jayde Closs-Webb of McGoldrick Estate Agents Introducing 121 Anson Street, St Georges Basin, a custom-built home designed with family and space in mind, now on the market for the first time. This 4-year-old modern Hampton-style executive home exudes luxury and sophistication. Indulge in a lifestyle of grandeur with this impressive double-storey residence, showcasing exceptional quality throughout. The home offers a generous array of flexible living spaces, perfect for the entire family to enjoy. The stunning kitchen is ideal for culinary enthusiasts, boasting Caesarstone countertops, Fisher and Paykel appliances, a walk-in pantry, and a dishwasher. It seamlessly merges with the open-concept living and dining areas, which feature low-maintenance flooring and sliding stacker doors that lead to an impressive alfresco space. Perfect for entertaining, this area offers views of the spacious, level backyard, which is designed for privacy and beautifully landscaped with Colorbond fencing and a garden shed. This custom-designed also home features a double garage with an electric door and an additional workspace area. Additionally, it boasts an attached drive-through carport, perfect for accommodating boats, caravans, and more. Multiple living spaces for the entire family to enjoy, including a separate study downstairs. Spacious open-plan lounge, living, and dining areas with abundant natural light. High-quality fixtures and fittings throughout. Expansive alfresco area. Fully landscaped gardens. Ducted air conditioning. Plantation shutters throughout. 16 solar panels. CCTV cameras for enhanced security. 90cm Oven and Gas Cooktop. Call today because tomorrow could be too late!
