PHOTOS COMING SOON! Situated on 4.25ha, this property was the former Moonlight Stud and trail riding location. The property is close to the Bruce Highway providing access to all key services either in Howard, Childers, and Maryborough and also close to Hervey Bay. The property is fully fenced including paddocks and the yard and is complimented by 2 dams and a large shed, used for feed and property management. The home, albeit small, offers 2 bedrooms, 1 bath that has been upgraded in recent times to a full disability suit, separate toilet, and a large open plan kitchen, lounge, and dining. Given the health conditions of the owners, the property does need a visionary to bring the property back to life along with attention needed on the home. This is wonderful opportunity for the right people and unless circumstance change, the property can include a Stallion that will remain for the right person. C U in Torbanlea!
