\$600 PER WEEK

Nestled near the heart of town, this brick four-bedroom home has a large combined kitchen/dining area with reverse cycle air-conditioning. It has a separate lounge room and an entertainment room at the front of the home. This house has been designed with comfort and space for the whole family. The main bedroom is situated separately to the remaining 3 bedrooms with an ensuite and walk-in-robe, it also has a reverse cycle air-conditioner. The main bathroom is designed to cater to everyone's needs offering a bath and separate shower and a separate toilet. There is an undercover back patio, large back yard and the property is fully fenced. The property is within easy walking distance into the main street of Stanthorpe, Quart Pot Creek, Parks and schools. Please apply online or contact our Agency to request a time to view this property.
