Built in the 1870s, this solid brick cottage oozes character and charm throughout. As soon as you enter you will feel that you have gone back in time. Brick feature walls, high ceilings leadlight windows and all the highlights of times gone by are here. 2 homely living areas are heated and cooled by split system air conditioning. There are 2 bedrooms, a most appealing kitchen with a dishwasher and Smeg oven, separate dining area and a spacious bathroom at the rear of the home. The compact backyard is easy to maintain and there is a carport at the back of the block with an attached storage shed. The convenient location allows you to walk to the shopping centre with ease. Homes such as this one are hard to find!
