Quintessential Bawley Beach House

Step into the good old times of summer at this classic Bawley beach house, nestled in the heart of Bawley Point. This much-loved coastal retreat, with its classic charm and timeless appeal, invites you to live the laid-back beach life you've always dreamed of. Just a short 300 metre stroll with a towel over your shoulder to the golden sands of both Gannet and Murramarang Beaches.

From the moment you arrive, the character of this charming cottage will captivate you. The panelled ceilings and sun-dappled living spaces echo the relaxed, old-school coastal vibe that makes beachside living so enchanting. Picture yourself savouring the ocean views from the front verandah, or entertaining in style on the spacious deck, where you can soak in the stunning escarpment views and create cherished memories around the fire pit.

The galley kitchen, complete with a walk-in pantry, is perfectly suited for preparing seaside meals, while the two inviting bedrooms offer comfortable retreats, with potential for expansion. Set on a generous 778m² level block, there's plenty of space for the kids to play and a roomy garage to store surfboards and fishing gear.

After a sun-soaked day, rinse off in the hot and cold outdoor shower, embracing the essence of beachside living. This is more than just a house; it's a nostalgic escape that embodies the relaxed spirit of Bawley Point and its stunning coastline.
