Superbly designed showcasing contemporary refinement over two lavish levels and featuring the best in outdoor living, this four bedroom two bathroom home is a modern masterpiece. Set behind landscaped gardens, this fabulous home welcomes you with its huge front door, double height entrance hall and interiors that unfurl before you. From the spacious open study through to a spectacular open plan domain and onto north-facing rear gardens that encompass a salt-chlorinated and arbored inground lap pool the scene is set for a lifestyle of seamless entertaining. The gourmet soft-close kitchen with its stone counters, 900mm Smeg induction cooktop, dual Smeg ovens and butler's pantry all oversee the pool, creating a wonderful space for bringing family and friends together. When you're done with that, a first floor living room presents a stylish retreat from the everyday. With spaces that will suit all ages and stages of family living, this home with its lavish bedrooms with robes, fully tiled designer bathrooms, elegant master with a WIR and ensuite, two powder rooms and separate laundry includes high-end finishes like engineered flooring, alarm, double glazing, heating/cooling and double garage with internal entry plus off-street parking. A few steps to McDonnell Reserve and brand-new NARC, central to Fairfield Village and cool High Street, near transport and well-regarded schools, inspection will impress.
