Quality Homestead on 6.6 Acres

Step into this magnificent luxe homestead and be wowed at every turn with classic design details and contemporary lifestyle features that will please those looking for a high-end home that doesn't sacrifice warmth and comfort.

Approaching the home, you're greeted with a beautiful timber farm gate, grand circular drive, lush lawns, deciduous trees and fully-enclosed spacious gardens and expansive yard. The home's stylish façade features classic fretwork, a return veranda, brick chimney, pitched roof, and an attached double carport.

Thoughtfully designed details impress from start to finish, with nothing overlooked. Stepping through the front entrance, you'll find an inviting English-style mud room, complete with cleverly hidden boot storage, elegant coat pegs, and charming solid messmate shelving.

The large front living room is timeless in its elegance, including solid brass light fittings, a 150-year-old Inverleigh-made wooden mantel suspended above an open fire with reclaimed Geelong red bricks and quality sheer linen window dressings that provide the perfect space for family gatherings, toasting marshmallows or to relax after a big day.

An exquisite solid timber barn door leads to the heart of the home - a stunning English-style kitchen designed for both beauty and functionality. It features a large entertaining bench in stone, sublime custom English oak cabinetry, and top-of-the-line appliances including an integrated Bosch dishwasher and an Italian 120cm ILVE double oven. The kitchen boasts a deep ceramic double farmhouse sink, premium Armac Martin solid brass handles, and a stunning feature Perrin and Rowe solid brass kitchen tap with a sprayer. Thoughtfully designed for convenience, it includes a hidden breakfast bar with appliance storage and custom-fitted drawers with a knife block, tea station, and the spice drawer of your dreams. Additionally featuring bifold timber servery windows that open up to stunning northern views, complete with a cleverly tucked away roller flyscreen blind for uninterrupted enjoyment of the scenery. Solid brass fixtures and beautiful feature pendant lighting complete this elegant and practical space.

An adjacent walk-in butler's pantry is a chef's dream with 2PAC finished shelving, recessed LED lighting, a garbage chute, and a Dutch door leading outside to the carport, making unloading groceries a breeze.

French oak floors flow through to a stunning living and dining area, complemented by large picture windows offering suspended views of the expansive 6.6-acre property and its gorgeous, large 100+ year old river red gum tree. Oversized sliding doors seamlessly integrate the raised deck with the indoor space, creating an effortless flow for indoor-outdoor living. The area features a solid cast iron freestanding wood heater, the second fireplace in the home, which feeds a ducted system in the roof, efficiently heating the entire house.

As you move down the hallway, you'll discover four generously-sized bedrooms, each designed for ultimate comfort. Enjoy the perfect climate year-round with split-systems and ceiling fans in every room. The modern electronic blinds can be scheduled to rise and fall with the sun using a convenient app, ensuring you wake up naturally and drift off to sleep effortlessly.

The king-size master bedroom is the epitome of style with loads of cupboard space fitted with solid messmate shelving and boasting a luxurious ensuite with a double vanity, double shower, brass fittings and fixtures including a hydronic heated towel rail, skylight for extra natural light, and exquisite hand-cut tiles that add a touch of artisanal charm.

The beautiful English-style laundry showcases unique features you won't find anywhere else. A custom-tiled dog bath for the pampered pooch, equipped with solid brass tapware, doubles as a baby bath or a convenient spot to clean your gumboots. The laundry also boasts a solid messmate bench, brass tapware, and a walk-in linen cupboard with a suspended drying rack positioned below a ducted vent, which feeds through to the freestanding wood heater in the living space, perfect for drying woollens.

The family bathroom mirrors this luxury, featuring a brass hydronic heated towel rack and a lavish stone freestanding bath. The solid messmate vanity and shaving cabinet, adorned with premium barn light and brass fixtures, add a touch of elegance and sophistication to the space.

Outside, the property unfolds to a paradise with raised panoramic views on offer from a large Merbau deck. Additional features abound and include a two-tier outdoor sitting area with fire pit - a special and picturesque spot for relaxing and entertaining.

Fully-fenced rail and post paddocks, animal shelters, a fruit orchard with a custom-built glasshouse, ample space to build your dream homesteading vegetable garden beds, and a large shed with three open bays or two enclosed bays provide abundant space for outdoor pursuits, hobbies, and storage requirements.

This supreme, high-quality homestead presents beautifully inside and out, and offers an ideal setting for professionals and families alike. It sits at the end of a quiet court on a wonderful patch of land with views, and yet is just minutes' walk to the swing bridge that leads to the gorgeous Inverleigh township with all it has on offer - including quality morning coffee/brunch spots and dinner at the historic local pub, a terrific primary school and kindergarten, quaint retail spots, as well as nature walks and river access.

The quality and finish of this amazing home must be seen to be fully appreciated - it truly embodies an outstanding blend of luxury, comfort and classic beauty and is nestled in a picturesque, sought-after location. Discerning purchasers will be delighted upon viewing - call to inspect now!
