Welcome to Bayview Estate - your secluded oasis of complete privacy, luxury, and exclusivity, situated at the portal to the Byron Bay Hinterland. This 7-acre sanctuary offers the utmost privacy and exclusivity, framed by breathtaking 220-degree panoramic north-facing views that take in the iconic lighthouse to the east and span northwards to Hastings Point, while overlooking the lush valleys of Ewingsdale and Myocum below. Revel in the splendour of the infinity edge magnesium pool, spacious gourmet kitchen, and versatile entertainment spaces designed for both relaxation and lavish gatherings. Located just minutes from Byron Bay and Bangalow, enjoy the convenience of town amenities without sacrificing the peaceful seclusion that Bayview provides. This estate represents a rare opportunity for the discerning buyer seeking the ultimate oasis in paradise. From the moment the estate's security gate adorned with a Tree of Life draws open, you'll follow the winding driveway past the tropical landscaped gardens and majestic Norfolk pines, as the magnificent rural and ocean views unfold before you. A tranquil estate where you can truly unwind and relax, yet also a home that transforms for any occasion: catering to family, entertaining friends, or hosting large celebrations in true style. This estate comprises three distinctive living precincts: The Main House, The Lodge Precinct, and The Cottage. The Main House features 4 bedrooms, 3 bathrooms, a separate study/office, spacious kitchen, expansive entertaining deck overlooking the vast panoramic view, and a large open-plan family room bathed in the natural light from surrounding windows, providing an ideal setting for luxurious living. The Lodge Precinct showcases two levels of unparalleled luxury living. The ground level, "Lodge," houses a modern full-sized studio apartment with a luxurious ensuite, boasting floor-to-ceiling glass doors and windows that take in the generous ocean views of the Byron Bay horizon. Equipped with a Sonos surround system, reverse cycle air conditioner, and a 3-stage bio water filter, the Lodge is a haven of comfort and sophistication. Its upper level, known as the "Loft," with its generous covered balcony, provides the versatility of multiple uses, serving as a space for car collectors, fitness enthusiasts, and/or a private entertaining / games room. This recently constructed building is seamlessly connected to the main house via a beautifully crafted floating staircase. Nestled within the estate is The Cottage - a private, self-contained, 75 sqm open-plan studio featuring a living room, dining space, kitchen, large ensuite and laundry. The front porch of the Cottage offers sweeping views of the extensive panoramas that Bayview Estate has to offer, providing a tranquil retreat for guests, a caretaker or the potential to generate income.
