Home + Space = Opportunity!

Tucked in a location with access nearly all the way around, this spacious 3 Bedroom transportable home is privately positioned on this giant block on the edge of town. In timeless style, the clean and spacious floor tiles are a practical enhancement running the length of the house. Large Bedrooms throughout are thoughtfully laid out with built ins in each room. If you like a storage, then this house is for you! Walk in pantry, Walk in linen/sewing room and generous built in robes line the hallway. Light filled kitchen complete with built in breakfast bar/table as well as a dining area makes for inviting open plan living. The home is heated with the warmth of a wood heater in and has a split system for convenience and comfort. The home offers a attached garage, there is a shed boasting a workshop, workers kitchen and showering facilities. Want space for more opportunities? We've got that covered too with a large fully fenced block lending itself to all kinds of hobbies or a productive investment venture as well.
