This two-level townhouse offers many features designed to enhance your living experience. As you step inside, you'll be greeted by the ground floor, which houses two spacious bedrooms both equipped with built-in robes, providing ample storage space for your belongings. To ensure convenience and privacy, there are two bathrooms on the ground floor. This setup allows for easy accessibility and provides an ideal solution for accommodating guests or family members. Additionally, the townhouse features a European laundry, allowing for seamless laundry duties without compromising space. Upstairs you will find the open plan living/dining area with a well-appointed kitchen that features stainless steel appliances, an integrated fridge, and a dishwasher. Whether you're preparing a gourmet meal or enjoying a casual snack, this kitchen offers everything you need in terms of modern amenities and style. With good-sized balcony that provides a perfect space for entertaining or simply unwinding after a long day. Also featuring a secure carpark and storage cage. Location is key and situated within a short walk from Windsor Station, a must to inspect.
