A great floorplan cleverly maximizing living space in a low maintenance, rock solid home perfect for a family wanting extra space in a convenient location. The first of two living spaces is the generous front lounge room with a powerful reverse cycle split system air-conditioner plus there is a large separate family room, bright kitchen with gas cooking, range hood and lots of storage, air conditioned main bedroom with walk-in robe and full ensuite, bedrooms two and three are both doubles with overhead fans and built-in robes and the office could easily be the fourth bedroom if required. Tiled central bathroom with a separate shower and full bath, built-in storage in the laundry and a separate toilet. Double garage with roll-a-door gives secure undercover access to the house, well positioned covered outdoor deck, good fencing, garden shed on slab and located on a generous block close to primary school, pre-school and day care. \$520,000 Property Code: 3015
