As the name suggests this home design will stand the test of time. With all four bedrooms on the right wing of the house, all with built in storage; the main bedroom offers a walk-in-wardrobe with enough space for all your clothes and shoes and more. The open plan kitchen and living/ dining room opens out onto the Alfresco area giving you the advantage of hosting your weekly BBQ nights with friends and family. The Phoenix embodies harmony, peace and balance, exactly what you want in your new home. *Images depicted on this site are for illustration purposes only.
